*Premier Service – InTelligent Solutions*

**JACQUELINE LOPEZ**  
**PRESIDENT**

Jacqueline Lopez is President and Co-Founder of Premier Enterprise Solutions, a mission-focused federal contractor delivering enterprise IT, cybersecurity, and program leadership across the defense and civilian landscape. Since founding the company in 2012, she has grown Premier into a nationally recognized firm known for trusted execution, strong culture, and sustained growth in the GovCon market. In 2025, Jackie and her husband and co-founder Michael Lopez were named SBA Small Business Persons of the Year for Maryland, recognized for their leadership and impact.
